PAYMENT, CANCELLATIONS / SWITCHING DAYS AND CHANGES TO PROGRAMMING

- **Payment is required before attendance** (see due date on invoice). Your child's space will be confirmed once payment has been received.
- **48 hours' notice in writing is required for a credit or 'change of booked day' request.** This includes absences due to sickness, change of childcare circumstances, or if a child needs to be collected from the programme (eg. due to behaviour issues, or feeling sick, or change of mind/child not wanting to be left by parents at the programme). This is because staff are rostered ahead of time, and resources are purchased or bookings are made ahead of time, based on the number of children booked. An enormous amount of planning goes into each day to make each day fun and safe. **This policy also applies to late bookings:** confirming the booking requires an admin checking staff:child ratio outside of normal office hours and may require additional staff to be booked or contacting and changing staff rostered hours on the day. This is an extremely flexible cancellation policy.
- **Some activities are weather dependent** and PlayTime OSCAR reserves the right to change the programme without prior notification in this event. If an activity is not able to go ahead due to weather, we will have an alternative programme pre-planned. A refund of any extra costs (eg. outside provider costs) will be issued, but the onsite day charge will still be applicable as usual.
- Winz forms need to be submitted asap - winz requires at least 3 weeks to process forms.
- Additional fees are included in the invoice. Children do not need to bring cash to the programme.

- All the current Covid-19 regulations at the time will apply in our programmes.
- **9+ZONE:** 9+ age children may book and attend the general daily activity if they prefer, but 9+ZONE activities are ONLY for children aged 9+. Although an outside provider (eg. Rocktopia) may take children under 9yrs, this age limit has been set by PlayTime as a privilege for the older children in our group. When your child reaches this age, they will also love having the privilege of time to themselves :-)
- Activities listed are Enrichment Activities - but children are not required to join in; there will be other activities to choose.
- Please **name** all belongings (clothes, togs, toys etc): if they become lost property, they can be returned. PlayTime OSCAR takes no responsibility for misplaced/lost/stolen items.
- Please send your child with:
 - a **big packed lunch and morning/afternoon teas**
 - **refillable water bottle**
 - **hat (no hat, no outside play)**
 - **rashie and towel during Dec/Jan holidays**
 - a **change of clothes** - it's a busy day and accidents happen! :-)
- Between Sept - April: Please **sunblock** children before arriving. We'll apply additional sunblock during the day. If special sunblock is required, please send (labelled) with your child.
- Minimum numbers are required for some activities to go ahead as planned.
- For those whose children attend PlayTime, please join our closed Facebook page (ask Lead Supervisor). We post snippets of the day, lost property, news etc.

OTHER IMPORTANT INFORMATION

- **Please do not send a sick child to the programme.** If a child becomes unwell during the day, we'll make the child comfortable and will call a parent/caregiver and they may be required to collect their child from the programme. **Please ensure your Emergency Contacts are up to date.**
- Please let us know on your aimyPlus profile, or discuss in person with our staff, if your child has any **behavioural issues.** PlayTime OSCAR prides itself on our behaviour guidance strategies but if behavioural issues arise and children do not respond to our strategies, thus compromising the safety of the group of children and staff, your child will be suspended from the programme and you will be asked to collect them immediately. A refund will not be applicable. While we give children freedom within the programme, physical and behavioural boundaries are explained to the children and they apply at all times. Children are expected to adhere to these physical & behavioural boundaries as these are in place to keep the group of children safe, happy & engaged.
- Please advise us if your child is taking medication. **Medication forms** are available from our staff if required.
- The Privacy Act 2020 applies to any personal information collected by PlayTime Limited.
